## **E-mail spam filter testing ongoing through May 28**

**T**esting of an enhanced e-mail Spam Prevention Service is ongoing at the Marshall Center through May 28. Suspect e-mails will have "SPAM" written in the subject line. Because of the nature of these messages, some error is unavoidable. If Marshall team members receive a message incorrectly tagged as "SPAM," or a message that should be tagged, they should send the entire message to [abuse@msfc.nasa.gov](mailto:abuse@msfc.nasa.gov). An "Anti-Spam Test FAQ" is at <http://email.msfc.nasa.gov>, which provides details on spam filtering and reporting procedures.
